Surge365 Compensation Plan

Surge365 Junior Executive

As a newly enrolled SBA in our Junior Executive Program at Surge365, you will earn the following Direct Sale commissions when you personally sell an Executive Package:

TIP Executive Package (TIP) - \$15 | TOP Executive Package (TOP) - \$30

Personal Sales Made Prior To Team Builder Level

Every personal TIP sale made before you become a Team Builder generates a deposit of \$71.42 into your Bonus Bank and every personal TOP sale made before you become a Team Builder generates a deposit of \$142.84 into your Bonus Bank. These deposits are added to your Team Builder Bonus Bank deposits and are paid weekly in \$1,000 increments.

Personal Sale Residual

In addition to the \$15 (TIP) or \$30 (TOP) Direct Sale Commission and \$71.42 (TIP) or \$142.84 (TOP) Bonus Bank deposit, every personal sale pays a \$10 residual every month the Executive owner remains active.

Support Team Assignment

All Junior Executives (SBA) are provided with a group of upline mentors who are ready to help you get started and grow your business using the mPowerME system. These are company leaders who are incentivized to teach and train. They are mentors who have been where you are and are ready to get you educated and connected in Surge365!. A new Junior Executive (SBA) is assigned an upline Support Team once one of the following events is completed:

- You complete the mPowerME Initial Training and Acknowledgements,
- You or a member of your team personally sponsors a new Junior Executive (SBA), or
- You or a member of your team sponsors a TIP or TOP sale

Team Builder Level

Get prepared for a significant increase in earnings with your promotion to Team Builder! You will qualify at the Team Builder level once you have personally enrolled three (3) Junior Executives (SBA) and accumulated a total of six (6) points. These points can be earned by yourself or by members of your team! There is no time limit to qualify at this level. A TIP sale counts as one (1) point and a TOP sale counts as two (2) points. **IMPORTANT NOTE:** Being QTO is a requirement for earning Team Builder Commissions and Bonuses (see Qualified to Override section). As long as you remain QTO, Team Builders earn \$20 for every TOP sale made within their Team Builder Group and \$10 for every TIP sale made within their Team Builder Group. This includes all of your personal sales, as well as any sales made by the Junior Executives (SBAs) in your group who have not yet become Team Builders. If you are a Team Builder and you make a personal TOP sale, your total commissions on the sale would be \$50 (\$30 Direct Sale commission and \$20 Team Builder commission). If you are a Team Builder and you make a personal TIP sale, your total commissions on the sale would be \$25 (\$15 Direct Sale commission and \$10 Team Builder commission).

Team Builder Bonuses

Additionally, there are Team Builder Bonuses available as you continue to grow and build your Team Builder Group. Every TOP sale made by you and/or Junior Executives (SBA) in your Team Builder Group who have not yet reached the Team Builder level will generate a deposit of \$142.84 into your Bonus Bank.

Surge365 Compensation Plan

Team Builder Bonuses Continued

Every TIP sale made by you and/or Junior Executives (SBA) in your Team Builder Group who have not yet reached the Team Builder level will generate a deposit of \$71.42 into your Bonus Bank. Bonus Bank deposits are included with weekly compensation once the balance reaches \$1,000.

Regional Team Builder Level

The next level of leadership is the Regional Team Builder Group. You can achieve this next level of leadership by earning 70 total Team Builder points through Executive Package Sales. Once you earn 70 total Team Builder points you will achieve the position of Regional Team Builder and will start building your Regional Team Builder Group with your next personally enrolled Junior Executive (SBA). As long as you remain QTO, the earnings at this level rise significantly. Regional Team Builders earn an additional \$20 on personal and team TOP sales made in their Regional Team Builder group (additional \$10 on Travel Income Package sales). You will also earn \$20 on TOP sales made by Junior Executives (SBA) who report to a Team Builder within your Regional Team Group (\$10 on TIP sales).

Regional Team Builder Bonuses

The \$1,000 Bonus increases up to \$100 and the \$10,000 Bonus increases up to \$2,000! The \$1K and \$10K Bonus overrides at the Regional Builder level are paid according to the Regional Builder of the sales making up the Bonus.

\$10,000 Bonus

Every time your Team Builder Group grows by 100 active sales, you will earn a \$10,000 bonus. An active sale is any active Executive in your Team Builder Group. To qualify for this bonus you must have 100 active sales in your Team Builder Group at the end of any given month. This month is considered your "Qualifying Month." You must have 100 active sales on the last day of any following month, your "Maintain Month." Your bonus will then be paid on the 11th day of the next month, your "Award Month." Example: A Team Builder achieves 100 active sales in their Team Builder Group on March 31st and is qualified for the bonus. They must have 100 active sales on April 30th at 11:59 PM CT in order to receive the \$10,000 bonus on May 11th. Team members enrolled prior to the 100th active sale will be removed from your count so that new team members enrolled after the 100th active sale will count as credit toward your next \$10,000 Bonus.

National Team Builder Level

The next level of leadership is the National Team Builder Group. You can achieve the position of National Team Builder by earning 210 total Team Builder points. You can also achieve the position of National Team Builder by having a total of 167 balanced credits towards the Level 2 Marketing Director position. As with the Team Builder and Regional Builder levels, as long as you remain QTO, you are qualified to receive additional compensation. National Team Builders earn an additional \$20 on personal and team TOP sales and \$10 on personal and team TIP sales made in their National Team Builder group. You will also earn \$20 on TOP sales and \$10 on TIP sales made by Junior Executives (SBA) who report to a Team Builder within your National Team Group. The \$1,000 Bonus increases another \$100 (up to \$1,200 total) and the override on the \$10,000 Bonus goes up another \$2,000 (up to \$4,000 total)! The \$1K and \$10K Bonus overrides at the National Builder level are paid according to the National Builder of the sales making up the \$10,000 Bonus.
